Chowan's a stage. Its classic halls and grounds  
Provide the scenes as life's grand play unfolds.  
While tears of joy, with sighs and shouts, resound  
Eternal truths, directors lead the old  
And young alike in noble deeds and mold  
The cast according to the rules set down  
By ageless Truth. Between each act the bold  
Courageous braves go forth and gain renown.  
And all the while, with charm and grace, maids drown  
The tragic muse, for happiness of heart  
Bespeaks her timeless theme. The star, the clown,  
The weak and strong, alike must play his part  
And touch each heart until with May must fall  
The screen. All's done! There is no curtain call.
